**Class Surveys:**
The surveys are designed for the primary grades. There are ten surveys in this pack, suitable for two weeks of daily surveys (or ten weeks of weekly surveys). Additional packs of surveys will be available on abcteach.com.

**Object:** Practice reading survey questions, counting, comparing numbers, greater and less.

**Advance preparation—**
Copy the surveys and laminate for durability.
Tagboard background: Cut 18 x 24 sheet in half so you have 2 sheets 18 x 12. Use a marker to divide the boards into 2 or 4 sections. Laminate.

Supplies needed:
- *Clip clothespin for each student in your class- write each student’s names on a clothespin.
- *Laminated copy of survey
- *Tagboard background

This is a good opening activity as the students enter the classroom in the morning. Read the question to the class. The students will move their name clothespin to show their vote on the tagboard chart. Discuss the class results after everyone has voted.

Further exploration: Add a bar graph to explain the results. Count and compare. Use as a baseline for a writing activity.
